

ADYAMAN HALİDE EDİP KINDERGARTEN SCHOOL

E- SAFETY ACTIVITIES

As we implement our studies related “e- safety”, we prepared a leaflet which are spreaded to our parents. We prepared Security instructions according to our institution. We pointed out the rules that should be abided by parents,visitors and pupils. We submitted briefing to our parents related e- security. Furthermore let our teachers watch a video and they were informed about the task by our Guidance teacher. Decisions realted e security were taken at our school meeting. A workshop related behaviour bullying and protection of children was held.

e-safety meeting for children

Certificate delivery ceremony of our school by
OHSAS 18001 Ministry

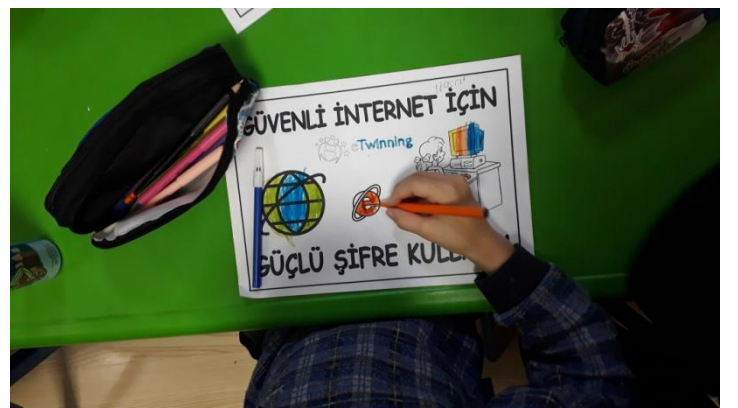

The safety board of our school

Distribution of the e safety leaflets to parents

Drama study about behaviour bullying and protection of children

Safe internet day studies in classrooms
